The list of nominees will be done once at the point of membership application. Members who have listed less than ten (10) nominees in their application forms will be permitted to add additional names to their list in the event their family situation changes i.e., birth of a child, adoption of a child, separation and divorce etc. There will be no replacement of nominees who pass on. The process of updating a member's list of nominees will be by way of completing the BF Nominees List Update Form. If a false claim is suspected, the member concerned will be asked to produce proof of bereavement, in addition to other due diligence checks that may need to be undertaken collectively by the Fund members. Applicants are to pay an initial deposit of \$300 to the fund's account.
